

TURNITIN

SRUC has started to use a software package called Turnitin. This allows us to check submitted work for any plagiarism (Plagiarism is any form of copying or cheating). Please be aware that this software checks all internet sources as well as other pieces of work, and will effectively find all instances of copying materials. Any instances of suspected plagiarism will be dealt with as detailed under Academic Misconduct.

DECLARATION AND UNDERTAKING

I, the undersigned, have been made aware of the issues relating to plagiarism and know that full details regarding this issue are specified in the student handbook and Moodle.

I understand that SRUC may put my student submissions through an electronic system, Turnitin, to check it for plagiarism.

I give full permission for SRUC to photocopy my assessments for the purposes of marking and checking for plagiarism.
