# SRUC

WiFi

Eduroam is a free Wi-Fi service that is used by educational and research institutions all over the world. It allows students and staff to log in with the same details at any of them.

If you have an Apple or Android device, simply select the Eduroam Wi-Fi connection and enter your username (Identity) & password in the following format:

- Username/Identity: Your student matriculation number followed by @sruc.ac.uk (e.g S00012345@sruc.ac.uk)
- Password: The password you use to log into the Student Desktop and computers when you're on campus
- Please select "Do not validate" under CA Certificate options

EAP method

PEAP ▾

Phase 2 authentication

MSCHAPV2 ▾

CA certificate

Do not validate ▾

No certificate specified. Your connection will not be private.

Identity

If you have a computer that's running on Windows 7, 8 or 10, please see the document which includes a step-by-step guide on connecting to Eduroam.

WiFi Calling
WiFi calling allows you to make and receive calls over WiFi, even if your network signal is a bit patchy. Have a look at the guides below to enable WiFi calling on your mobile.

Enabling Wifi Calling on iPhone
